Thanks for keeping me in the loop, Michael.

And I'm so happy that Jackie's handling this as I've got my hands full today with major faculty awards in political science and music.

Jackie, let's connect early this afternoon and synchronize our watches.

Cheers,

Kathleen

Jackie,

I am attaching a draft media release for our new report on Seattle-- the one we discussed last week.

The Seattle Mayor's office would like to release the report tomorrow and Rob Duffie of BerlinRosen wants to shop it today to various outlets for an exclusive.

Please look it over and suggest any changes. I am cc'ing the others-- including Kathleen, so they are in the loop and so you can contact them directly with the logistics of the media release.

I am still making some last-minute changes to the report itself. I've attached the current draft so you can see what it's about.

Sorry for the extremely short notice. I've been working morning to evening every one of the past seven days to complete this. The timetable moved up over the weekend.

Michael
